

Bowen Public's free legal service (bowenpublic.com) has attracted 180 users in just 2 weeks, demonstrating urgent public demand for accessible legal information. With \$20K Borrin funding, we will expand our legislation coverage from 87 to 500 pieces--a 475% increase--partnering with UC Law students (technical innovation) and Community Law Canterbury (community validation) to reach more New Zealanders with trusted, free legal information."
